Shanghai, Dec. 16.—(Thursday)—(AP)—Japanese authorities today announced Rear Admiral Teizo Mitsunami, chief of Japanese aerial operations, had been relieved of his post as a result of the bombing of the United States Gunboat Panay.

The government thus acted swiftly to carry out its pledge to the United States government that officers responsible for the Panay attack would be punished.

## GREAT BRITAIN SENDS A STERN NOTE TO JAPAN

Eden Tells Commons Further Attacks To Affect Relations

London, Dec. 15.—(P)—Great Britain tonight dispatched a strongly worded note to Tokyo insisting that attacks upon British gunboats and her other Yangtze shipping in China must cease.

At the same time, Foreign Secretary Anthony Eden, referring to the grave issues involved, told the House of Commons that any repetition of the attacks must damage relations between the two countries.

The British note, approved by the cabinet in a two-hour session, demanded measures to stop incursions on the Yangtze river and added that adequate punishment for those responsible seemed the only method whereby further outrages could be prevented.

The British protest recalled previous incidents in which Japan expressed regret for attacks made on British nationals and property, stating "it is clear that steps hitherto taken by the Japanese government to prevent such attacks have so far failed."

The note stated British now must ask to be informed that "measures have actually been taken of a character which will put a definite stop to the incidents" of which they complained.

## Franco is Massing Troops Near Madrid

Headquarters, Franco-Spanish Frontier, Dec. 15.—(P)—Spanish government army units today shelled insurgent positions near Madrid where scouting planes reported Generalissimo Francisco Franco was massing troops.

They kept up a steady fire on points within a short radius of the city, including Puente de Alarcón and Aravaca to the northwest, Carabanchel to the southwest and Villaverde to the south.

The insurgents, who maintained secret military operations after closing all frontiers of the territory they held, declared all sectors were quiet.

An order by Generalissimo Franco to close the Portuguese border, dispatches from western insurgent Spain said, completed the frontier blockade.

## CHECK WRITING

Somerset, Pa., Dec. 15.—(P)—County Detective Harry Jacobs is hunting for a passer of worthless checks with a realistic outlook on life and check writing.

One check for \$77, described as a payroll check, had 77 cents deducted for the social security tax.

## DEFENSE RESTS IN BOMB TRIAL AT SPRINGFIELD

Closing Arguments May Come On Friday After 5 Weeks

Springfield, Ill., Dec. 15.—(P)—The defense rested today in the federal government's case against 36 men charged with a long series of bombings in the Illinois mine fields, and prosecutors immediately began presenting rebuttal evidence.

Government attorneys indicated their rebuttal might be completed tomorrow to permit closing arguments to the jury Friday. The trial was in its fifth week.

Chief Defense Counsel A. M. Fitzgerald called his last witness shortly before 5 p. m., after five of the defendants had denied they were connected with the dynamitings, which swept the coal fields from 1932 to 1935.

During its two weeks of testimony, the defense called 205 witnesses, 40 more than the prosecution. Among these were 25 of the accused men. Defense exhibits numbered 24, compared with 223 for the government.

Defendants protesting their innocence today were Earl Evans, former leader of the Progressive Miners of America and present sheriff of Saline county; Jess Anderson of Harrisburg, PMA executive board member; Charles Rudolph of Herrin; Russell Wagner of Gillespie; and Raymond Tombs of Taylorville.

These with the others, were charged with conspiring to interfere with interstate and foreign commerce and to obstruct the mails. Most of the defendants are or at one time were affiliated with the PMA.

Shanghai, Dec. 16.—(Thursday)—Victims of the Japanese air attack on the United States gunboat Panay and three Standard Oil company ships near Shanghai today aboard gunboats coming cautiously down the mine-laden Yangtze river.

Among them were three who died in the tragedies Sunday on the river above Nanking. A vanguard of survivors, all wounded, reached here yesterday by airplane.

Advices from Nanking, Japanese-occupied capital of Republican China, reported all foreigners safe, relieving anxiety for 18 Americans among 27 foreigners in the city when Japanese troops stormed and captured it.

Japanese forces pushed deeper into China's interior and captured the walled city of Yangchow, 35 miles northeast of Nanking, in a surprise attack. Two American missionaries, W. W. and Richmond, Va., and Mary Dement of Emerson, N. J., had not been heard from.

In Washington President Roosevelt and Secretary of State Cordell Hull awaited Japan's reply to a formal American note on Sunday's attacks demanding: 1. Formal apology; 2. Full reparations; 3. Guarantees against any recurrence of such incidents.

## Youth Murders Two Women for Nagging

Topfield, Mass., Dec. 15.—(P)—Within a few hours of the death of 73-year-old Alice R. Thayer, at Hunt Memorial Hospital in Danvers, state police tonight moved to obtain a second warrant charging Oliver Alden Thayer, 24, with first degree murder.

Thayer pleaded innocent in Salem court today to charges of murdering his sister, Katherine, 32, and critically wounding his aunt, Alice. He was remanded to Salem jail, without bail.

State Police Corporal Arthur T. O'Leary said the husky student, who had been in ill health for nearly a year, signed a confession admitting the shootings at the Thayer home last night because the two women "nagged" his parents "about everything."

## BANKRUPTCY LAWYER DIES IN NEW YORK

New York, Dec. 15.—(P)—Harold Remington, 72, New York lawyer and authority on bankruptcy, died suddenly today.

He was a member of the bar for more than 45 years and was the author of a leading treatise on the law of bankruptcy, a nine-volume work.

A native of Quincy, Ill., he was graduated from the University of Michigan in 1888 and studied law at the Georgetown University School of Law and at the Columbia University School of Law, in Washington, D. C. He was admitted to the Ohio bar in 1892, and from 1898 to 1910 he was a referee in bankruptcy in Cleveland, O.

## Snowmobile Relieves Plane

Barrow, Alaska, Dec. 15.—(P)—Master Sgt. Stanley Morgan of the U. S. Army recounted today his 13-hour, 300-mile round trip to Cape Halkett in his snowmobile, the "Roaring Borling Allice."

Morgan made the trip over trackless ice and tundra to pick backhaul blades and gasoline to pilot Harold Gilliam, Barrow's stranded "Arctic Santa Claus" forced down Saturday on a flight from Fairbanks.

"It was dark all the way," Morgan said. "I had to drive with my head

## Japs Bombed This Tanker Along With U. S. Gunboat

Involved in a critical "international incident," the 1000-ton Standard Oil tanker Melhia is shown above as it steamed up the Yangtze river before Japanese bombers attacked it, two sister craft and the American gunboat Panay, leaving two known dead and 80 others dead or missing. The tankers and the gunboat were attacked at Hohen, on the Yangtze above Nanking, as they carried foreigners from the Nanking battle area. The Panay and the cargo ship Melan sank, the Melhing was beached and the Melhia burned at the wharf.

## REPUBLICANS STILL WORKING ON COMMITTEE

Hamilton Denies Any Factional Disputes Guiding Choices

St. Louis, Dec. 15.—(P)—Republican National Chairman John D. M. Hamilton asserted tonight seriousness and difficulty of the task, rather than factional differences, slowed naming of a committee to draft a new declaration of party principles.

Twenty-one of the 23 members of the GOP's executive committee have been in session here since Monday afternoon on the tedious and delicate job of choosing between more than 1,000 nominees.

"No name has been considered, passed or rejected," Hamilton declared, "because of that person's known friendliness or unfriendliness to any individual or group within the party."

"The committee realizes the seriousness of its task and there is no discord. I have never known a more harmonious meeting of this committee."

Hamilton said the steering committee would be composed of approximately 150 men and women. Originally it was to have been a "committee of 100," and last night there were reports it would be enlarged to 200.

The conferees were divided into sub-committees tonight for final consideration of the policy group's personnel. Their task was to pare 25 per cent of a list of nominees still before them.

## Find Gun Clue in Minneapolis Death

Minneapolis, Dec. 15.—(P)—Two apparently dead-tailing clues—that the bullet which killed Patrick J. Corcoran was of foreign make and that a former Minneapolis man now fighting with the Loyalist forces in Spain had reportedly sent a Spanish revolver back to Minneapolis—gave fresh impetus today to the search for the slayer of the labor leader.

Authorities declared the bullet used to kill Corcoran apparently would have had to be fired from a gun of Spanish manufacture.

It was disclosed investigators have been attempting to trace the reported shipment of a gun to Minneapolis by one of 20 men who left here last August to aid the Loyalist cause in Spain.

Although the man's name was not revealed, authorities said he was wanted in Minneapolis on a charge of abandoning his wife and two children. When he left Minneapolis, investigators quoted his wife as saying, he told her the cause in Spain was more important than his family.

## LONE GUNMAN TAKES \$400 IN BANK RAID

Colon, Neb., Dec. 15.—(P)—A gunman robbed the State Bank of Colon late today of \$400 in cash and escaped after locking two employees and a customer in a rear room.

Mildred Rasmussen, assistant cashier; A. S. Vasin, cashier, and Rudolph Jones, customer, were locked in the rear room. Vasin broke a lock on a rear door and gave the alarm soon after the robber fled.

## LIONS HEAR REPORT OF DISTRICT MEET

Jacksonville Lions at their weekly dinner last night at the Dunlap hotel heard a report of a district meeting which was held at Springfield Tuesday. The report was made by Fred R. Bailey, who with Ernest Lair and Mr. Christy attended the session.

The Lions spent the remainder of their dinner hour informally.

## Mrs. Marie Porter Saved from Chair Until January 10

Horner Stays Execution, Postponing Action on Her Plea for Clemency

Springfield, Ill., Dec. 15.—(P)—Governor Horner stayed the execution of Mrs. Marie Porter late today until Monday, Jan. 1.

Mrs. Porter, 37, the mother of four children, who was convicted with Angelo Ralph Giancola, 22, for the insurance murder of William Kappen, her brother, had asked a commutation of her death sentence.

The governor's reprieve postponed action on her clemency plea until that date.

Earlier in the day, Circuit Judge D. H. Mudge at Belleville, granted Giancola a stay until Jan. 10, to give his attorney time to perfect an appeal to the State Supreme Court.

Both Giancola and Mrs. Porter were scheduled to die after midnight tomorrow.

Giancola and his brother, John, who was sentenced to 99 years imprisonment, testified in the trial that Mrs. Porter planned the slaying last July 3 so she could collect \$3,300 on her brother's insurance policies. All are from St. Louis.

## SAYS GERMANY STILL DESIRES AUSTRIAN TIES

Former French Premier Flandin Tells Of Desired Union

Paris, Dec. 15.—(P)—Former Premier Pierre Flandin informed French legislators tonight that Nazi leaders in Berlin had told him Germany still was intent on establishing Anschluss (union) with Austria.

Flandin said Col.-Gen. Hermann Wilhelm Goering, chief aide to Reichsfuehrer Adolf Hitler, and Baron Konstantin Von Neurath, the third Reich's foreign minister, also:

1. Reiterated Germany's refusal to return to the League of Nations "on any account."

2. Repeated Germany's insistence on her demands for colonies.

3. Emphasized Germany's insistence that Czechoslovakia accord greater privileges to German minorities.

Flandin spoke to deputies in the chamber corridors after indicating that his just-concluded "personal investigation" in Germany of Franco-German relations had disclosed "considerable differences" in the nations' viewpoints.

He emphasized, however, that Germany appears as eager as France for peace—although "on other bases and by other means." He said he had prepared a full report to submit to Premier Camille Chautemps, with whom he conferred before making the trip.

## BANKING IN MARION

Marion, Ill., Dec. 15.—(P)—For the first time in seven years banking facilities were available in Marion today. Deposits totaling more than \$100,000 during the first day of business for the bank of Marion was reported by Cashier Clyde Keltner.

## SENATE VOTES TO CUT COSTS OF FARM BILL

Administrative Expense Limited In Night Session

Washington, Dec. 15.—(P)—The Senate unanimously approved tonight an amendment to reduce administrative costs of the proposed new crop control program and thus increase the payments and loans received by the farmer.

The amendment would limit administrative costs spent in Washington to one per cent, those spent outside Washington to two per cent, and also require publicity of all expenses of the county committees of farmers, who would help operate the control system.

Demands by Senators Byrd (D.-Va.), Russell (D.-Ga.) and Hatch (D.-N. M.) that administrative costs be cut led to the amendment, which Bagley called a "compromise."

Senator Russell had complained that administration costs under the payment program last year were "more than \$45,000,000." Senator Byrd had called these expenses a "disgrace."

Leaders called the Senate into an overtime session tonight to work on the farm bill, No. 1 item on President Roosevelt's program for the month-old special session.

## Mussolini Solves Budget Problems

Rome, Dec. 15.—(P)—Practically every department of the Italian government will spend more money, nearly a fifth of the increase for defenses, next year under the budget figures approved today by the cabinet.

The proposed 1938-39 fiscal budget totaled 25,035,106,948 lire (\$1,308,825,561) an estimated increase of 1,266,559,890 lire (\$66,061,047).

Official figures for the fiscal year of 1937-38 have not been published, but a deficit possibly amounting to 5,000,000,000 lire (\$260,000,000) was anticipated.

Premier Mussolini, however, has found a new way to balance the ordinary budget. He has ordered joint stock companies and partnerships to pay an emergency tax of 10 per cent on capital and reserves. This would yield an amount believed comparable to the deficit.

## ACCIDENT PREVENTION

Springfield, Ill., Dec. 15.—(P)—Incorporation of an accident prevention program in the public school curriculum was being planned today by Superintendent John A. Wieland of public instruction.

Urging its adoption by all school systems, Wieland appointed Don Cash, director of physical education, to formulate a course of study covering all major causes of accidents.

## Puzzle For Social Security

Washington, Dec. 15.—(P)—The case of two men of the same name, born the same day of parents who had the same names, presented a new problem today for the social security board.

Officials said that after registering more than 36,000,000 names without difficulty they recently received, only a few days apart, the applications which listed:

The same full name for the applicant. The same name for the father and the same maiden name for the mother. The same date of birth.

The only difference was the ad-

## AFL's Substitute Wage-Hour Bill Beaten In House

Washington, Dec. 15.—(AP)—An attempt to sidetrack the administration's wage-hour bill in favor of a more drastic measure sponsored by the American Federation of Labor failed in the house tonight. The vote, by tellers, was 162 to 131.

The substitute, which would have imposed uniform wage-hour standards instead of the more flexible ones in the administration's bill, provided the first major test of the leadership's strength on this legislation.

The Federation's proposal was that minimum wages of 4 cents an hour and maximum hours of 40 a week be specified in the law. The administration bill would give an administrative agency power to fix wage standards, within limits.

The A. F. of L. bitterly opposed such a grant of power because it said the functioning of another agency with broad powers, the national labor relations board, had been unsatisfactory.

Earlier in the day, opponents of the administration bill tied the house into parliamentary knots today.

Points of order, elaborate and time-consuming explanations, and a seemingly unending series of "parliamentary inquiries" filled most of the day to plague the presiding officer and tax the resourcefulness of his principal adviser, the house parliamentarian.

Foes of the measure were successful in forcing not one, but two, readings of the 42-page bill. The first reading was generally approved, because it gave everyone a chance to go to lunch, but the supporters of the measure made loud complaints at the second.

In the end, and just before the house finally reached the verge of a major decision on the bill, Chairman Norton (D.-N.J.) of the labor committee, appealed to the opposition to stop "filibustering" and permit the issues to be settled on their merits.

At the other end of the capitol, the senate approached a vote on the farm bill. Again, it refused to place a financial limit upon the cost of the program.

A senate banking subcommittee considered the advisability of granting a direct subsidy to home-buyers for the purpose of quickening President Roosevelt's campaign for a boom in house construction.

## Auto Workers Try Mass Picketing at Kansas City Plant

Police Arrest Demonstrators in Front of Ford Plant As Work Continues

Kansas City, Dec. 15.—(P)—Scores of singing, shouting men and women, some carrying or leading children, attempted mass picketing today at the Ford assembly plant and were arrested by police as fast as they appeared.

A few pickets scuffled briefly with police on ice-coated streets and were carried, kicking and scratching, to patrol cars. The children, ranging from five to 12, were taken home by officers. The women and men were booked on charges of disturbing the peace and released.

One man pleaded innocent today to charges of assault with intent to kill as the result of an attack on a Ford company mail truck Monday.

Police Sgt. D. E. Reddish, in charge of the strike detail, said 140 men and 21 women were arrested yesterday and 49 Friday. Reddish said arrests would continue tomorrow if there was further picketing.

Carl Stevens, an international representative of the C. I. O., said picketing attempts would be continued until "we have every jail in Kansas City filled."

## OPPORTUNISTS

Boston, Dec. 15.—(P)—Less than five minutes after a lawyer turned over a \$2000 legacy to Mrs. Albina Stanulewicz of Cambridge today three men crowded her against a building, and showing a pistol, robbed her of the twenty \$100 bills.

## BORAH IS DELIGHTED OVER NEW NAMESAKE

Washington, Dec. 15.—(P)—Mrs. William E. Borah said today that her husband, the senator from Idaho, came home looking so well that she thought he had been to the gymnasium.

"I discovered his delighted expression resulted from the fact that he has a namesake," she said. "His nephew, Judge Wayne Borah at New Orleans, and his wife, have named their new baby, William Edgar."

"I warned my parents about letting their shopping go until there were only a mere days until Christmas. Now they're lost again!"

## An Individual Problem

We can quote from the major paper of safe driving as can tell you how to protect your home or place of business from the hazards of fire. There are accepted methods for this.

We can deliver into the medical journals, and through with some good advice about what to do for common colds. Our advice to you is not advice might be extended to a certain different phases of human conduct. There are rules to govern almost everything.

But we can't tell you how to keep from falling down!

No sir, it's no use! But we won't work on glass sidewalks like Jacksonville people tried to walk on several days this week.

Call it walk if you want to, but to most people it was a slide—a sort of waltz, tottery motion that looked like a waltz one moment and the Big Apple the next.

An evil surface such as has existed here for several days defies all rules of safety when it comes to footings. The experts tell you how to drive your automobile when a slide is on, and they're right. But they don't dare say anything about how to stand up when your feet keep telling you to fall down.

The usual warning to be careful, doesn't mean a thing when one foot starts in the direction of West State street, and the other urges you to de-tour down South Main.

Some say to relax when you feel

yourself slipping, that it mitigates the force of the landing. Often, however, that advice enters the mind too late.

We have seen men and women walk stiff-legged on the ice this week. Others seem to have better luck when they sort of drag their feet. A few adventurous souls strike out at what might be called a natural gait, which is more graceful as long as it can be maintained.

Small boys and girls have it all over their elders when it comes to getting around on the ice. They run, jump and slide—fall and get up, perhaps—but get more sport out of a slick sidewalk than anyone.

How to maintain one's equilibrium on footings like we have just experienced cannot be taught, but must be learned. As most persons have decided, the lesson is tough and some never master it completely.

Falling on the ice, though it may have its ludicrous aspect, is serious business. Sidewalks and intersections should be cleared or covered with other materials to afford traction. All precautions should be taken to prevent injury to pedestrians.

After that, it's every person for himself in icy weather.

## The Christmas Spirit

Unbroken communications usually do not get very far in the Journal and Courier offices, but we received from an unknown contributor the other day a little essay on "The Spirit of Christmas," which we will pass on.

The contributor, who undoubtedly has captured the spirit himself, said:

"The Spirit of Christmas is in the air. You can see it in the happy, eager faces of the children, and even in the attitude of those older. It is also seen in the beautiful shop windows where so many fine and useful gifts are on display. It is also shown in the spirit of the many fine suited men and women who give of their time and money that all children may receive some gift, so as not to miss the joy of the season."

"How fine it would be if we could carry the Christmas spirit all through the year. We of America have so many things to be thankful for that it would be hard to name them all. Aside from the fact that we live in a country where we can worship as we please, where we have freedom of speech and press where peace prevails, there are many other simple things we have to be thankful for—the air we breathe, the sunshine and rain, the food we eat, for the friends we have, for the home and comfortable place to sleep, and, many other

things that space does not permit us to mention.

"How much easier and fuller life becomes when we learn to carry with us a thankful spirit all the year, and to be thankful for the simple things of life."

## A Pioneer Trademark

A newspaper article from a town in western Missouri noted the fact that the historic and romantic rail fence of pioneer days has almost entirely disappeared from the landscape. The writer attributed it to the fact of a shortage of white oak and black oak timber, which made the best sort of materials for rail fences.

The rail fence was a prominent object in the countryside 75 years ago, not only in Missouri, but in Illinois and other states where timberlands furnished raw materials from which the fences were hewed. Not only were rail fences used for boundary lines between the farmers' fields, but the corners furnished an ideal cover for quail and other game birds. The zig-zag course of the fences took a lot of ground which might have been used for crops, but at that time acreage was not so important as now.

Morgan county, too, has witnessed an almost complete eclipse of the old-fashioned rail fence. There are a few yet to be seen in rural areas, but they are showing marked signs of age, and in some instances wire has been used to support them in keeping livestock within certain confines. Not many rail fences have been built in recent years.

Rail fences were a trademark of a time when timber and lands were plentiful. Intensive farming and the march of civilization will soon put an end to all rail fences, as was the fate of the log cabin.

## The Sigs Win Again

It has become pretty much of a foregone conclusion that the Sigma Pi team will win the Illinois college intersociety debate tournament. Not wishing to disappoint anybody, the 1937-38 crew of Sig wranglers came through with another victory Tuesday night, the fourth consecutive year they have taken the championship.

Performances of this kind year after year, dominating the field of orators, may induce a hopeless feeling for debaters of the other societies. But they should view the future with visions of glory rather than despair.

This "whole-hog or none" reign of the Sigs has to end some day. The Gamma Nus and Phi Alphas should dig in deeper and swear ever-lasting vengeance. They should not worry about the present, but revel in the fact that some day the Sigs are due for a mighty downfall—a tumble from the pinnacle which they have erected themselves.

The Sigs have created an impressive record. Naturally, the other societies are out to get them. How long this situation can go on is a problem which adds zest to one of the most interesting, stimulating activities on the "hill."

John Rea, a farmer near Murrayville, reported to the sheriff's office Wednesday morning that from 25 to 30 bushels of snap corn was stolen from a bin near his home Tuesday night, adding to the list of thefts that have been piling up recently in the Murrayville community.

Rea reported the theft at the county office here while Sheriff Kenneth Woods and Deputy Sheriff Clinton Stromwalt investigated robberies of the Farmer's Elevator and the La-Crosse Lumber company offices Monday night at Murrayville.

During the investigation at Murrayville, deputies here took three men, Earl Adams, Allan Devore and Lloyd Wendick before Justice of Peace A. B. Opperman, where bonds of \$2,000 were set for their appearance in court to answer to charges of entering and robbing the Cade poolroom at Murrayville. The three men were arrested Monday after an investigation.

Sheriff Woods reported that nothing new had been discovered concerning the robbery of the Farmer's Elevator in which \$13 was taken from a safe which had been opened.

## Clarence Phillips Is Found Guilty In Scott Co. Court

Larceny Charge Is Upheld by Jurors in Sealed Verdict Opened Yesterday

Winchester.—Clarence Phillips, Jacksonville business man, was found guilty of larceny by a jury in the Scott county circuit court when Judge Walter Wright opened a sealed verdict returned at 10 p. m. Tuesday after about six hours of debate. A charge of burglary against Phillips was not upheld in the decision of the jurors.

Judge Wright entered a motion for a new trial on the request of Carl E. Robinson, defense attorney, of Jacksonville, and no sentence will be announced until arguments are heard on the motion.

The state rested its case about 11 a. m. Tuesday, and the defense completed its case shortly after 3 p. m. Tuesday. The jury received its instructions and at 4 p. m. retired to consider a verdict. The jurors arrived at the verdict and returned it sealed at 10 p. m.

Phillips was charged with the burglary and larceny of clover hay in an indictment returned by the Scott county grand jury. The suit was brought by the state with W. S. Waldmire, acting as receiver for the Mutual Trust Life Insurance company against F. C. Murray, as the complaining witness.

## Defendants in Ayers' Depositors' Suit to Answer by January 3

Notification That Suit Has Been Filed Served on Several Persons

Defendants in the two suits filed by the depositors of the Ayers National Bank against State Treasurer Edward C. Martin and his predecessor, Edward Barrett, receivers of the bank, and sureties for the state treasurers have been granted until January 3 to file an answer to the charges that they were without authority in accepting bonds as collateral protecting the deposits of state funds in the Ayers National Bank, that they converted the bonds illegally after the bank closed.

Notices that the suit in equity has been filed were issued Tuesday and yesterday with instructions to obtain service as soon as possible.

The suits were filed in both the federal district and the Sangamon county circuit court, and involve bonds valued at over \$2,750,000 which the plaintiffs, a number of Jacksonville business firms and individuals,

allege were given to the treasurers of the state illegally by the officers of the bank, sometimes by formal board of trustees action and at other times without formal action, to safeguard the state funds on deposit here. The state had on deposit at the time the bank closed \$1,803,015.89.

Among the facts the plaintiffs would like to have the defendants state in their answer are a list of the bonds given as collateral, a list showing their disposition, the amount realized from the conversion of the bonds, and the amounts realized on the sale of each bond.

Gordon L. Seeger, of Kansas City, Mo., was a complainant along with the Jacksonville firms and individuals in the federal suit.

# Coasting Popular Sport on Sloping Streets Here Now

Sleds and Toboggans Sweep  
Over Long Routes Young  
People Map Out

Coasting on icy streets has become a favorite sport among local children since the return of the "ice age" to this community. While the grown folks may have a tough time of it getting about, most kids are made of vim and India rubber, and a fall now and then does not seem to hurt them.

The coasting is confined principally to the west end of town, where the streets are more sloping. Hundreds of boys and girls with sleds are using the less traveled streets and have mapped out some long routes.

Here is one of the routes which seems most popular. The coasters start on Mound avenue anywhere between the hard road and City Place and coast all the way to Park street, then turn south and coast to the brook. Of course it is some work to get the sleds back to the starting point, but everybody considers the ride worth the effort.

Long toboggans are frequently seen on the coasting routes. These sleds will carry as many as twenty, and are used mainly by the older group. While the more elderly and less agile of our population are praying for the ice to melt, the kids want it to stay. Slipping around town is not difficult for them.

D. A. Hoover of Hillsboro stopped in the city Wednesday afternoon.

# WAKE UP YOUR LIVER BILE—

Without Calomel—And You'll Jump Out of Bed in the Morning

The bile should pour out two pounds of fluid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas builds up your stomach. You get constipated. Your whole system is poisoned and you feel sour, sick and the world looks pink. Laxatives are only makeshifts. A mere bowel movement doesn't get at the cause. It takes those good, old Carter's Little Liver Pills to get these two pounds of bile flowing freely and make you feel "up and up." Harmless, gentle, yet amazing in making bile flow freely. Ask for Carter's Little Liver Pills by name. Stubbornly refuse anything else. 25c.

# Veterans of War of 1812 "Our Pioneers"

**PINAL INSTALLMENT**  
By MRS. HENRY W. ENGLISH  
"Each of us must build ere life has flown, a stumbling block or stepping-stone," let us look to find which these men built. We may do so by following their footprints, to learn where they went and what they did, then they will seem a very part of the warp and woof of our city and county, and they will live on and on.

In every church, lodge, profession, and in the founding of Illinois College's subscription list, when money was raised for a seminary in Illinois, which was later christened "Illinois College," we find the names of John Leeper, William C. Posey, and Archibald Job. On Illinois College's first "Board of Trust" we find William C. Posey and John Leeper. Also they helped to found the First Presbyterian church. Abraham Clark we find among the first members of the Congregational church, and John T. Jones was among the first members when the Church of Christ was organized (he married the widow of Thomas Church).

Probably the first person to exert a strong influence and to take a stand for temperance in our county was Captain Silas Massey, who in 1829, when his corn was ready for harvesting, declared that it would be done without him furnishing the men with whiskey. The men declined to work. He remained adamant and told them he would turn in his hogs and they could care for the wheat. The men reconsidered and without whiskey "the wheat was harvested in good condition."

Captain Silas Massey and his brother were in the War of 1812, on the Niagara frontier. Sergeant Jonathan Massey, his father, was in the Revolutionary war. As we trace their footsteps back through the long corridor of the years, "Our hearts stand at attention in general memory, as we review the lives of those long dead, but who are still with us in silent assemblage and whose work makes us resolve patriot paths to tread."

These patriot pioneers overcame the wilderness and almost unsurmountable difficulties. Governor Reynolds said "Our early Illinois men and women were soldiers by instinct, they could not be otherwise, they had to fight not only the elements with but crude shelter and heating devices, but wild beasts and hostile foes. These they conquered and smoothed conditions for us."

If adaptability is the highest test of intelligence, then these persons possessed intelligence of a high degree. "They were men who matched the mountains. They were men who matched the plains. Men with empires in their purpose and new eras in their brains."

They played a conspicuous role in the life drama of Jacksonville and Morgan county. Of the men prominent in Morgan county, as it is today and in the day when, Morgan, Scott, Cass and Greene were one, I have not gone into their work, they were too numerous, so I have mentioned only those more clearly connected with Jacksonville.

We know that 110 are sleeping in or county, probably many, many more are here in despoiled graves, where no stone stands sentinel to tell who sleeps there, and are otherwise unknown. When we began our search for veterans of the War of 1812, buried in Morgan of today, we found in General Garrity's "Roll of Honor" deceased ex-service men and women of Illinois, one soldier of 1812 listed for Morgan county.

That soldier of 1812 was Governor Joseph Duncan, who received from our Federal Congress a silver sword for his outstanding bravery and service to his country when he served under Col. George Croghan, (nephew of George Rogers Clark), at the Battle of Sandusky. He was one of the intrepid band of men, numbering between 100 and 200 men, who in the Battle of Sandusky repulsed with tremendous havoc the combined British and Indian forces amounting to more than ten times their own number, and having command in that splendid affair, notwithstanding his youth, a post of preeminent responsibility.

Another time he with only a handful of men under his command, penetrated 150 miles into the interior of upper Canada and in spite of the frightful cold of the winter watched the movements of the enemy within a few miles of his camp. He came to Illinois in 1818. He was our Governor, Congressman and Champion of the First Free school law in Illinois. Rather an amusing incident occurred in connection with Governor Duncan's desire to perpetuate the memory of these men and the battle which meant so much to him and his country, as a tribute he named the street on the west side of his land Croghan street in honor of the immortal Colonel George Croghan and the street on the east Sandusky street, being oblivious to the historic significance of these names, our city fathers decided that Croghan was too Irish and unimportant a name for so great and intellectual place as Jacksonville, they changed the name to Webster avenue.

With his enthusiasm, time and money Governor Duncan aided in all things educational, civic and religious. He also aided Jacksonville by his official influence. His grave has an official 1812 Marker. Edmund Burke said, "He only deserves to be remembered by posterity who treasures up and preserves the history of his ancestors." These men were not only our ancestors, but our benefactors. They cleared the way for the westward spread of civilization, after

they had saved the country from the British and gained true independence for the United States.  
"Oh God, May we be just as brave and true as were the patriots to whom we pay a tribute justly due."

## Sees Extinction of Fur Bearers Unless Laws Are Enforced

Dick Vasey Believes 70 Per Cent of Furs Are Being Taken Illegally

Fur bearing animals in Illinois will be almost completely wiped out in ten years, in the opinion of Dick Vasey, local fur buyer who has been in the business for the last thirty years. Vasey declared in an interview that about 70 per cent of the annual fur catch is being taken either out of season or illegally.

The catch has been falling off at a rapid rate, Vasey declared. A few years ago fur buyers operating along the Illinois river alone bought from 10,000 to 25,000 muskrat hides in a year, but present day buyers obtain about 1,000 furs from the same territory. Pointing to the causes of the drop in

the number of hides taken every year, Mr. Vasey said that the game laws make it unlawful to destroy the den or house of any fur-bearing animal, and that no traps are permitted closer than ten feet of a muskrat den. Investigation has shown that there are from two to six traps on every muskrat den, and often a fish trap or basket has been placed in the muskrat run. Whole families are taken in a single night by placing the fish traps.

The same story holds true for mink, skunk, coon, and opossum, Mr. Vasey said he has found that hunters for these animals destroy the game code. All of the fur bearers except two, the fox and mink, prepare for the winter in early fall. The coon, skunk, and opossum will travel every night in search of food and take on a supply of fat. When winter really arrives these animals will den up for days at a time without food or water.

Muskats store grass roots for consumption during the winter, and other animals will place their particular delicacies either in their dens or available places. The mink and the fox, however, range far and wide, traveling farther on cold stormy nights than when the weather is calm. A mink will cover from ten to fifteen miles on blustery nights, and fox can cover about twenty-five miles.

The animals' den is its home and when the home is protected fur bearing animals will come back, Mr. Vasey declared. He pointed to the beaver and the otter as species of game which either have been trapped or driven out of the country.

### Chi Beta Literary Society Entertains

Chi Beta Literary society of Illinois college, entertained the members of Alpha Pi Eta at an open meeting Tuesday at the David A. Smith house. The following program was given: And So—Victoria—Lenore Black. What the Critics Say—Martha Mae Fitzgerald. Critic—Irene Chapman. The social chairman, Katharine O'Rourke, assisted by Martha Mae Fitzgerald and Virginia Tunnell, served refreshments. The society room was attractively decorated in keeping with the Christmas season.

### Baptist Mission Union Meets This Afternoon

The Women's Missionary Union of the First Baptist church will meet this afternoon at 2:30 o'clock at the home of Mrs. Harry Kiltner, 1341 West Lafayette avenue. Mrs. T. O. Hardcastle and Mrs. T. U. Smirl will be assistant hostesses.

Mrs. C. R. Dowland will lead the program, her topic being "Shop Windows." This will be the time for opening the window boxes which have been kept by the members.

### Centenary Ladies Aid Holds Christmas Party

The Centenary M. E. Ladies Aid society held its December meeting and Christmas party yesterday afternoon at the parsonage on East State street. Despite the icy pavements and sidewalks there was a good attendance.

Mrs. M. M. Blair was assisted by Mrs. Fred Six, Mrs. Roy Wilson, Mrs. D. O. Floerth, Mrs. C. F. Siegfried, Mrs. Roy Baldwin and Miss Myrtle Larimore.

Mrs. D. O. Floerth conducted the devotions, reading the Birth of Christ as given in Luke 2:4-12 of the King James version, and the same in Moffet's translation.

Christmas carols were sung and Mrs. Floerth closed the devotions with prayer.

The business consisted of remembering Passavant hospital, the old people's home at Quincy and the juniors in the Centenary church school with donations for Christmas. Each member took to the meeting a small gift for the church kitchen.

The program of the meeting was announced by Mrs. A. C. Metcalf, who introduced Dean Baird of MacMurray college. She impersonated a Moslem girl who was educated in the missionary school in Egypt in which Miss Baird was principal.

Roll call was answered with a verse or poem about Christmas. Music was provided by Miss Elizabeth Humphrey of MacMurray college.

The party closed with a social hour and refreshments.

### N. Y. STOCK EXCHANGE TO INCREASE CHARGES

New York, Dec. 15.—(P)—The New York stock exchange moved today to increase its charges for buying and selling securities for customers with adoption by the board of governors of proposals calling for an average boost of approximately 11 per cent over existing levels.

The new schedules will be submitted to the members of the exchange and will be considered as approved if not rejected by vote of the members.

Miss Irene Smith underwent an appendectomy at Passavant hospital yesterday.

## Charles Hunter and Nellie Baxter Wed

Beardstown Couple United in Marriage Tuesday; Other Virginia News

Virginia, Dec. 15.—Miss Nellie Baxter and Charles Hunter, Jr., both of Beardstown, were united in marriage at 11 o'clock Tuesday morning at the M. E. parsonage in this city. Rev. O. F. Jones reading the single ring ceremony.

The couple were attended by Mr. and Mrs. Lawrence Bradbury of Beardstown. The bride was attired in a black velvet dress, with matching accessories, and the groom wore a gray suit.

The bride is the daughter of Mrs. Louis Winters of Beardstown, and the groom is the son of Mr. and Mrs. Chas. Hunter, also of Beardstown. He is manager of a cigar store in that city.

The couple left at once on a short wedding trip, their destination unknown. After Dec. 17 they will be at home at 2155 Washington street, Beardstown, where they have a home already furnished for their occupancy.

### News Notes

Mr. and Mrs. Don McGinnis of Rock Island, visited over Sunday with their parents, Mr. and Mrs. Chas. M. Plummer.

The December meeting of the Providence Household Science club was held Friday at the home of Mrs. Emily Hughes, west of this city, with Mrs. Viola Hughes serving as assistant hostess. The home was beautifully decorated appropriate for the Christmas season.

The affair was an all day meeting, with pot-luck dinner at the noon hour. Following the dinner a business session was held, presided over by the president, Mrs. Zella Mefford. Christmas carols were sung by the club, with Mrs. Lola Davis as accompanist.

Mrs. Jennie Lynn reviewed the book "Spring Came on Forever" by Bess Streeter Aldrich. Mrs. Mollie Treadway read the best of verse, and Mrs. Betty Webster gave a piano number.

The new officers, who are—President, Mrs. Lola Davis; vice-president, Mrs. Rena Sinclair; secretary and treasurer, Mrs. Viola Hughes, were installed by Mrs. Bess Treadway, and tokens of appreciation presented by Mrs. Christina Thomas to the retiring officers, Mrs. Zella Mefford, Mrs. Bertha Brockhouse and Mrs. Lucille Knight.

From a Christmas grab bag each one drew a gift.

Charles Mefford, Charles Caldwell and Mr. and Mrs. Edwin Mefford were Jacksonville visitors Sunday evening.

## Legion Auxiliary Holds Xmas Party

Mr. and Mrs. Santa Claus at Social Meeting; Plays Part of Program

The social meeting of the American Legion Auxiliary was held last night at the Legion Home with a good attendance. After the regular business was transacted the evening was given over to Christmas entertainment which was in charge of Mrs. Donald Williamson.

Two short playlets were given by Mrs. Lottie Hatches and Mrs. Gaston Foote, "When Greek Meets Greek" and "Samantha Changes Her Mind," which were greatly enjoyed.

Mr. and Mrs. Santa Claus, impersonated by L. D. Tanner and Mrs. Frank Bransiter, then appeared and distributed gifts. The Legion Home is beautifully decorated in keeping with the season.

Refreshments were served by the committee in charge: Mrs. Donald Williamson, Mrs. T. F. Craver and Mrs. Sybil Killbrew assisted by the Juniors.

### MEDWICK HAILED AS MOST VALUABLE MAN

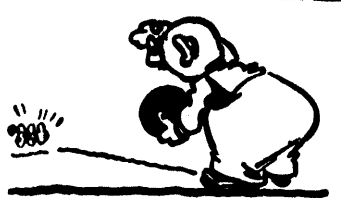

St. Louis, Dec. 15.—(P)—Joseph Michael Medwick, slugger par excellence of the St. Louis Cardinals, was hailed by more than 1,100 baseball fans last night as the National League's most valuable player during the 1937 season.

Medwick received the annual award of the Sporting News at a dinner in his honor. Ford Frick, president of the National League and Gov. Lloyd C. Stark of Missouri were among those who joined in the affair.

Joe refused to accept a gift of cash in addition to the award—a watch—and directed the money be given to the Shriners' hospital for crippled children.

James Jones of Arenville was a shopper here yesterday afternoon.

## Two Undefeated 5's Tangle at Bluffs; Milton Wins, 24 to 23

Score Never Farther Apart Than Four Points All Through Game

Bluffs—Two undefeated basketball teams tangled here tonight, and when the 32 minutes of playing time was over Milton was out in front 24 to 23, leaving the matter of supremacy considerably in doubt. Those two undefeated teams, who were to have played Tuesday night, drew a packed house, and they gave the spectators the kind of a game they wanted to see.

There were hot shots for both clubs. Lemons, Mustang pitcher of no-run no-hit fame, flung in 15 points for the Milton team, and Rolf, Blue Jay forward was right behind with 14 points.

Neither team was able to get over a four point margin over the other, and that occurred only once or twice during the game.

The final score was just a sample of what went on through the game. The teams were tied at 7 all at the end of the first period, and knotted up at 12 all at half time. Milton had a one point margin at the three quarter mark, 19-18, but the lead during the final period fell first one way and then the other. Bluffs might have won the game too, but for a violation in the last minute of play, a Bluffs player taking a pass and then traveling before he got the dribble started.

Bluffs was somewhat handicapped when Goodin turned up for the game somewhat ill, but he played part of the first half and all of the second half.

Bluffs reserves hung a 29 to 18 score on the Milton reserves in the opener.

## Blueboys to Play Shelbyville Team

I. C. Cagers Take Road Trip This Evening to Meet Sparks Quintet

Illinois College Blueboys, craving more practice work before diving into their conference schedule, will go to Shelbyville this evening to meet the talented Sparks Business College crew of that city.

The Sparks team is rated as one of the strongest in the state. Already this season they have bumped off several college quintets including Eastern Teachers, McKendree and Wesleyan.

Last year Coach VanMeter's Blueboys took a licking at the hands of Sparks at Shelbyville, but turned the tables later in the season on the local court. The Shelbyville team will be booked for an engagement here within a few weeks.

## MURRAYVILLE GRADE SCHOOL TEAM BEATS CARROLLTON, 24-20

Murrayville, Dec. 15.—Traveling over icy highways, the Murrayville grade school basketball shooters stayed long enough in Carrollton this afternoon to win a couple of contests. The first stringers took their game 24 to 20, the reserves winning 16 to 10.

The score of the first team contest follows:

Murrayville (24)	FG	FT	TP
Clarkson, f.	2	0	4
Hadden, f.	0	2	2
Coumbes, c.	6	16	6
Rimby, g.	1	0	2

## Crimsons Tighten Defenses And Whip Up Scoring To Win; J.H.S. Reserves Win Opener

Jacksonville high's Crimsons took their first victory of the present basketball season last night when they set up a defense which defied Carrollton efforts to score, and broke a fast offense through the Carrollton defense to win 31 to 13. The Crimsons held Carrollton to four points during the opening three periods, all of them free throws.

The Hawks apparently couldn't get their optics adjusted to the Crimsons' defense, for even their free throws weren't sinking any too well. They scored nine of their 13 points from the gift line, but missed any number of opportunities. Their field goal shooting was off even worse than the foot tossing.

## Pedestrians, Autos Creep About City Over Icy Streets

### Relief in Sight as Rain and Thaw Continue; Report Highways Better

Jacksonville residents fared forth Wednesday to find the pavements and sidewalks even slicker than they were Tuesday. Rain which fell on the coating of ice washed it clean and made it smooth and slick, but conditions became better throughout the morning and early afternoon.

Cars drove slowly and pedestrians walked the same way. One man took several children to school in his car. En route the machine did some gyrations on the slick pavement. "It rides just like an airplane," one of the kids remarked.

It was easy enough to park a car, but when the motorist wanted to drive it farther, he had trouble getting away from the curb. One barber shop porter kept himself busy with a shovel carrying ashes to motorists in distress. The ashes placed under spinning wheels enabled the drivers to get the machines away from the curb. "They might give me a dime," the porter remarked hopefully.

But late in the day the situation began to be relieved, as a slight rise in temperature and continued rain caused the ice to melt and made the going less difficult. Local residents were hoping that the ice would soon be gone. Roads and highways also were responding to the warmer weather and driving conditions appeared to be approaching normal again.

## Illinois College Junior Prom to Be Held This Evening

Miss Doris Scheffler to Be Crowned Queen at Event Tonight

The annual Illinois College Junior Prom will be held this evening at the Illinois School for the Deaf. Plans for this outstanding social event of the college were completed yesterday by the committee, and a large number of students and friends of the college are expected to attend.

A feature of the prom will be the coronation ceremony this evening, at 10 o'clock, when Miss Doris Scheffler will be crowned queen of the 1937 Junior Prom. The ceremony will take place on a specially erected "throne" with the new queen being crowned by Miss Helen Rehak, queen of the 1936 prom. Immediately following the coronation, the grand march, led by Harry Story, chairman of the prom, and Miss Esther Marsh will begin.

The gymnasium has been appropriately decorated for the occasion with a false ceiling of silver and white. Bill Hogan and his Hollywood Band will provide music for the event.

Announcement was made yesterday that Glenn Freeman, a senior and president of the I club, will officiate as master of ceremonies during the coronation and grand march. Members of the prom committee will be first in the line behind the chairman and his guest in the grand march.

Patrons and patronesses for the event are as follows:

Dr. and Mrs. A. B. Applebee, Mr. and Mrs. M. R. Barickman, Mr. and Mrs. Walter Bellard, Dr. and Mrs. Ellsworth Black, Dr. W. Burnett Bunch, Mr. and Mrs. Harry Capps, Mr. and Mrs. W. T. ## Daughter is Born To Bernice Felton

Rockford, Ill., Dec. 16.—(P)—A daughter has been born to Bernice Felton, 18-year-old companion of Lester Brockelhurst, 23, on his "crime" which resulted in charges he ordered three men.

Persons close to the family said the child was born early Tuesday. The Rockford girl was acquitted at Little Rock, Ark., June 25 of a murder charge in connection with the slaying of Victor A. Cates, Little Rock land owner, for which Brockelhurst was sentenced to death. He has asked a rehearing of his appeal.

Miss Felton recently was granted a continuance by the federal court at Little Rock in the disposition of automobile theft charges filed against her in connection with the Gates slaying.

Illinois and Texas authorities also sought Brockelhurst on murder charges when he was seized in New York last May.

## BANKING DIFFERENT, IT SEEMS, BACK IN 1860

Westminster, Md., Dec. 16.—(P)—Banking was different in the 1860's. Officials of the Union National Bank, celebrating its 125th anniversary, recalled today that an open barrel of corn whiskey stood in the bank and the depositors helped themselves from a tin dipper.

A director had a distillery and kept the barrel full.

## HEARING DATE IS SET ON HAHN CASE APPEAL

Cincinnati, Dec. 16.—(P)—The court of appeals today set Jan. 17 for a hearing on an appeal of the death sentence for Mrs. Anna Marie Hahn, sentenced to die March 10 for the poison slaying of Jacob Wagner, 78.

Defense attorneys filed the appeal when common pleas Judge Charles S. Bell overruled a motion for a new trial. She was recently taken to Ohio penitentiary to await execution.

## Salvation Army Benefit Show to Be at Illinois

Admission to Play Will Be Canned Goods or Vegetables

The annual Salvation Army benefit show will be given at the Fox-Illinois Theater Saturday morning. Admission to the playhouse will be canned goods or vegetables.

The show is given annually by the Fox-Illinois Theater with the food-stuffs being placed in the Salvation Army to be placed in Christmas baskets. Any food article that goes into a Christmas basket will be acceptable for admission to the show.

Captain Paul Moore of the Salvation Army said yesterday that he hoped that both children and grown-ups would attend the show and contribute something in the way of food-stuffs so that some poor family will have a Merry Christmas.

In the past years the show has attracted a large number of children and grown-ups and it is the wish of those in charge that this year's show will draw a large crowd as the need is almost as great as in past years.

## LOYAL MEN'S BIBLE CLASS NAMES OFFICERS AT THURSDAY MEET

Loyal Men's Bible Class of Centenary M. E. church held the annual meeting and election of officers last night in the church basement. The following were named to lead the society after an oyster stew supper was enjoyed.

President—C. W. Boston; Vice-president—John N. Deatherage; Treasurer—Ernest Hoagland; Secretary—John Adams; Assistant Secretary—R. K. Matthews.

C. E. Smith is teacher of the class. He attended regularly by more than sixty men of the church. A. H. Twyford is his assistant.

During the business session it was voted unanimously by the members to welcome ladies to the class sessions during the Sunday School hour. Ladies not now affiliated with any class were extended an invitation in a formal resolution.

## Hold Roe Funeral Services at M.E. Church in Scott

Final Rites are Conducted at Manchester; Cotter Funeral Held

Manchester, Dec. 16.—Funeral services for Mrs. Frank C. Roe were held in the M. E. church Wednesday afternoon, with Rev. A. E. Lindsey officiating. The music was in charge of Mrs. Theresa Langdon and Miss Louise Pearce, with Mrs. Charles S. Heaton as accompanist. They sang three beautiful numbers, "The Old Rugged Cross," "Shadows," and "Face To Face." The flower girls were Mrs. Harry Powers, Mrs. Curtis Kelly, Mrs. Dick Daniels, Mrs. Daryl Travis, Mrs. Ira Stone, Mrs. Floyd Tindall and Anna Frances Chapman. The casket bearers were Robert Robinson, Russell Chapman, Charles S. Heaton, John Andras, Howard Langdon, Harry Powers. Interment was in the Manchester cemetery.

Cotter Funeral. Funeral services for Matthew Cotter were held Wednesday afternoon in the Baptist church. Rev. Garfield Rodgers officiated. He was assisted by Rev. N. M. Antrobus. A quartet composed of Mrs. Leah Gregory, Mrs. Theresa Langdon, George Cooper and Frank N. Carman, with Mrs. Charles S. Heaton at the piano, sang "When They Ring Those Golden Bells," "We Are Going Down the Valley," "Will The Circle Be Unbroken." The floral tributes were cared for by Mrs. Floyd Patterson, Mrs. Pearl Cotter, Mrs. Emert Barber, Mrs. Stella Patterson, Mrs. James Wyatt, Miss Alice Wyatt, Mrs. James Beaman, Mrs. Floss Vineyard, Mrs. Maude Fitzsimmons. The pall bearers were Pete Cotter, Emert Barber, Floyd Patterson, James Wyatt, Dick Cotter, James Beaman. Interment was in the Manchester cemetery.

INJURES BONE IN ANKLE. Fred Marsh sustained a broken bone in one of his ankles recently when he fell on the ice. He was able to leave the hospital after the fracture was reduced.

## STEAMER FROZEN IN NEAR VALLEY CITY "Mark Twain" May Stay There Until Spring

The steamboat "Mark Twain" enroute to New Orleans, La., is tied up in the Illinois river below the Griggsville Landing at Valley City. The boat with six barges, broke a rudder opposite Mauvalsterre Creek and was delayed a day or so. When the repairs were completed, the condition of the ice-filled water made it impossible to continue the trip south. Unless the temperature rises, the boat will be at port there until spring.

Five of the six barges are laden with merchandise and also 10,000 bushels of corn.

Two other boats, the "Tom Sawyer" and the "Betsy Ann," are frozen in at the LaGrange Locks and Beardstown.

## Wm. Norman Passes Away Suddenly at Home Last Night

Stricken at Home West of Litterberry and Dies in Few Minutes

William Norman, age about 60 years, died suddenly last night at 10 o'clock at his home a short distance southwest of Litterberry, presumably of a heart attack.

Mr. Norman had retired, and his wife, Mrs. Hattie Norman, heard him breathing heavily. She found that he had been stricken and called a help, but he passed away within a few minutes.

A nephew, Leo Barber, was one of the first to reach the home.

The decedent was a farmer, and was well known in the Litterberry community. He is survived by his wife, one son, and other relatives.

Coroner Elmer Sample went to the home last night and conducted an inquest. The jury found that death was due to arterio sclerosis. Testimony revealed that Mr. Norman had been in apparently normal health recently, although he had been afflicted with heart disease for some time. The jurors were A. E. Obermeyer, Elly Thompson, J. P. Guy, John H. Boatman, Leo Barber, Lyle Atterbury.

## IN CIRCUIT COURT

A partition suit was filed in the office of the circuit clerk here yesterday with Lura Young as plaintiff. Anna Rockwell, et al. are named defendants in the suit.

Property involved is described as the south half of the southeast quarter of the southeast quarter of Section 25; the east half of the northeast quarter of Section 36 and the southeast quarter of Section 36, Township 16 and Range 12; and the southwest quarter of the northwest quarter of Section 31-16-11 and the southwest quarter of Section 13, Township 15 and Range 12.

Mrs. Wilbur Six, Mrs. Edward Hyatt, Jr., and Miss Pearl Jones of Meredosie shopped here Thursday.

Mrs. Marvin Hierman and Mrs. T. A. Bridgeman of Bluffs stopped in Jacksonville Thursday.

## Furnace Out; No Heat For Prisoners At Morgan Co. Jail

It is no fun to be a prisoner at the Morgan county jail now. Starting yesterday the five prisoners at the local jail had to produce their own heat. They had plenty of blankets to keep themselves warm, but there was no heat from the boiler room below. The reason—the furnace is cracked.

Electric heaters were used last night on the first floor, but prisoners had to be content with blankets. Today arrangements will be made to provide heat for the second floor as it is expected that it will take several days to repair the two sections of the furnace that have cracked.

## Post Office Will Stay Open Longer

Extra Service Will Begin Saturday Afternoon and Continue Next Week

With both incoming and outgoing mail increasing sharply in volume, the Jacksonville post office is ready to handle the Christmas rush by an enlarged force and extended hours of service at stamp and parcel post windows.

The first extra service to the public in mailing Christmas letters and packages will be Saturday afternoon of this week when stamp and parcel post windows will remain open until 6 p. m. The usual closing time at the post office Saturday is 1 p. m. Beginning next Monday the post office will remain open each night to 8 o'clock for stamp and parcel post windows.

The bulk of the Christmas rush is expected during the middle of the coming week. Any Christmas mail that can be moved this week helps to relieve the big volume during Christmas week.

LICENSED TO MARRY. A marriage license was issued in Chicago yesterday to Albert Fortney and Miss Margaret Barton, both of this city.

JEWELRY SUGGESTIONS FOR CHRISTMAS. We Carry a Complete Line of Appropriate Gifts Which Include Men's Traveling Sets at \$1.95 to \$12.00; Sheaffer Fountain Pen Sets, \$2.95 to \$15.00. Our Special Sale on Silver is Still on. Complete Service for \$11.00.

## Kiwanians Tell Of Lives at Meet Held Thursday

New Members Give "Get Acquainted" Talks at Session of Clubmen

Four members of the Jacksonville Kiwanis club provided the program at the Thursday meeting at the Peacock Inn. They were John Taylor, Harry Hammett, Sam Cohagan and Dr. Harold Bowman, who recently became Kiwanians.

Charles Wright, program chairman, announced the purpose of the program was to acquaint the club with the lives of their newest members. Mr. Taylor, who is now a teacher in the Jacksonville schools, said he is a native of Morgan county having been born at Bethel. After attending the high school and Illinois College he farmed and taught school. At one time he was principal of the schools at the Illinois School for the Deaf, and later he organized classes for convicts at Joliet prison.

Harry Hammett came to Jacksonville when the Ayers National bank failed. For a number of years he was engaged in the liquidation of the Ayers bank and other banking institutions. He is now affiliated with J. Capps & Sons. In his brief talk he gave some of the history of the local woolen mills and of its operations.

Mr. Cohagan came to Jacksonville recently from Winchester, where he resided for most of his life. Mr. Cohagan is now district manager for the Illinois Telephone company, with headquarters in this city.

Dr. Bowman is now a practicing surgeon and physician with offices in this city. Dr. Bowman is a graduate of Illinois College, and studied medicine in some of the outstanding institutions in the middle west. Prior to beginning practice here he was in an army hospital at Sioux St. Marie, Mich., where he gained much valuable experience in surgery and medicine.

## Haneline Funeral To Be Saturday

Services for Alton Railway Operator to Be Held at Funeral Home

Funeral services for William Haneline, operator at the Alton Railway tower here for 25 years, will be held Saturday afternoon, at 2:30 o'clock, at the Gillham Funeral Home. Mr. Haneline passed away at 12:45 o'clock, Thursday afternoon at his residence 1216 Park Place, in this city. He had been confined to his bed for the past two weeks, but has been in poor health for some time.

He was born at Sinclair, Ill., February 10, 1884, the son of Crit and Mary Jane Brown Haneline. He was united in marriage with Minnie Hines, who survives together with the following children: Florence, Ernest, Richard and William R. Haneline, Jr., all of this city. He is also survived by his father, Crit Haneline of Sinclair; two sisters, Luella Campbell of Chatham and Rhoda Canham of Virden and one brother, Elmer Haneline of this city.

The decedent was a member of the Methodist Episcopal church, and was affiliated with the following lodges: Harmony Lodge, No. 4, A. F. & A. M.; Wilbur Lodge, Order of the Eastern Star; Order of the Railroad Telegraphers and the United Commercial Travelers.

The body is at the Gillham Funeral Home, but will be removed to the residence this afternoon at 1:30 o'clock. It will be returned to the funeral home an hour before the funeral services.

## B.B.C. SORORITY IS ENTERTAINED AT CHRISTMAS PARTY

Members of the Alumnae Chapter of Alpha Iota Sorority, Brown's Business College were entertained Wednesday evening at a Christmas Party, at the home of Eloise Stout, 636 West College Avenue. Miss Stout was assisted by her mother, Mrs. Milton E. Stout, Miss Margaret McGinnis, and Miss Rosetta Magner.

The evening began with a lovely buffet supper, which was served at 7 o'clock. The Stout home was beautifully decorated in keeping with the holiday season.

Following the buffet supper, different games were played with prizes going to Mrs. Virginia Gillespie, Mrs. Kathryn Shanahan, and Miss Mildred Carter.

A jeweled sorority pin was presented to Miss Mary Helen Johnson, for being the most outstanding member of the year.

It has been the custom of the sorority to give a basket of food to some needy family each year at Christmas time. This year it was decided to give two baskets. Miss Marya Massey was appointed chairman of the committee in charge of the arrangements.

Near the close of the evening, Christmas presents were exchanged and new mystery pals were drawn for the coming year.

The next meeting will be January 18th. New officers for the coming year, that have been elected, will be installed at this time.

Elmer Downs and W. A. Jones of Murfreesboro were local visitors yesterday.
